SQUARE FOOTAGE DEFINATIONS: Square footage shall be measured from the exterior wall of structure. With adjacent unfinished and finished areas, the measurement shall be taken from the centerline of the adjacent walls. Finished - Interior heated or conditioned space, which is insulated and finished. Examoles are Florida rooms, living rooms, closets, etc. Unfinished Interior - those areas which have not been insulated or the wall and floor finish material has not been applied. Examples are garages, basements and bonus rooms which are neither heated or finished. Attics are not considered finished or unfinished space. Unfinished exterior - Includes exterior porches, screen porches, decks and similar exterior structures. DETACHED GARAGES are permitted separately.
